

Active Partnership Services

Segal Family Foundation's philosophy of giving, which we call **Active Partnership**, is rooted in deep respect and admiration of our grantee partners. We've learned from you that connected, robust, and well-structured organizations are better able to fulfill the full impact of their missions. In this spirit, we have put together a package of services for you to access that, in addition to our grant support, may help you to amplify your good work.

fundsforNGOs Membership

Access a searchable donor database, training videos, live webinars, sample proposals, and more through a fundsforNGOs Premium membership. One membership per organization is free to SFF partners.

- Follow the instructions and register at www2.fundsforngospremium.com/segal/.

Pro Bono Consulting - Catchafire

List an unlimited number of projects with Catchafire and be connected to skills-based volunteers for needs like database customization, website design, marketing strategy, and more. Free to SFF partners.

- Follow the instructions and register at sff.catchafire.org.
- You'll be asked to complete a survey on your experience.

Pro Bono Legal Assistance - TrustLaw

TrustLaw connects the world's leading legal teams with organizations working for social and environmental change. Access is free to SFF partners but subject to TrustLaw's eligibility criteria.

- Register at apply.trust.org.
- When applying, make sure to indicate that your organization is an SFF partner so that your application is fast-tracked.
