

Segal Family Foundation's philosophy of giving, which we call Active Partnership, is rooted in deep respect and admiration of our grantee partners. We've learned from you that connected, robust, and well-structured organizations are better able to fulfill the full impact of their missions. In this spirit, we have put together a package of services that, in addition to our grant support, may help to amplify your good work.

ACTIVE PARTNERSHIP SERVICES

Fundraising Resources

SFF provides all partners with free access to three online platforms to support their fundraising efforts. They are

- **Philantropia**, an online fundraising school with online courses on fundraising, grant writing, and more
- **DonorDatabase**, a searchable portal with thousands of foundations and grant giving organizations in over 100 countries; and
- **FundsforNGOs**, which is designed to help you to get regular updates on grant announcements, calls for proposals, and more.

To get a free account on FundsforNGOs, please email support@fundsforngos.org. For access to Philantropia and Donordatabase, please email info@philantropia.org. Please note that for each of the platforms, you are welcome to set up only one primary account which can then be shared with other colleagues in your organization.

\$500 Stipend for Organizational Development

Apply for a \$500 stipend per 12-month grant period to address an organizational capacity need of your choice. Possible uses include (but are not limited to) conference attendance, leadership coaching, trainings or workshops, software licenses, consultancy fees, and more. If it will help your ability (or your team's ability) to work effectively, then it's likely a good fit for this stipend!

- E-mail your request to resources@segalfamilyfoundation.org for consideration.

\$500 Stipend for Communications & Marketing

Apply for a \$500 stipend per 12-month grant period to be used toward improving your organization's website, branding, or communications materials.

- E-mail a brief description of objectives, cost, and service provider to resources@segalfamilyfoundation.org for consideration.

\$500 Stipend for Learning Visits

SFF avails partners access to learning opportunities that help build more connected, efficient, and well-structured organizations. Each partner can access \$500 stipend per 12-month grant period to visit the fellow SFF partner of your choice.

- E-mail dates of the visit, partner, and learning objectives to resources@segalfamilyfoundation.org for consideration.

Partners are welcome to combine stipends for greater flexibility. Please note that expenditure responsibility grants aren't eligible for stipends.

Service Provider Database

Access a list of service providers compiled by the SFF community.

- View the full database at <http://bit.ly/1QUapdB>.
- Partners can add new recommendations to the database through this form: <http://bit.ly/1TSfXnJ>.

Partner Resource Library

Access a library of resources compiled by the SFF community.

- View the full library at <http://bit.ly/2fwkON0>.

Promotion and Publicity

We promote our remarkable partners through our media. Every partner has its own profile on the [Our Partners](#) section of our website. Check your organization's page to ensure that the information is accurate, and send any updated descriptions or logos to sarah@segalfamilyfoundation.org.
